Notification of Motions

1st November 2017

Body Submitting Motions	Fingal PPN Secretariat
Motion 1	<p><i>That full elections are held for the five PPN LCDC seats with each seat carrying a three year term with the proviso that the maximum service length is two terms.</i></p> <p>Context: The term of an LCDC member is 3 years. The Secretariat explored how to approach filling these seats. Options considered a staggered approach or clean election.</p>
Motion 2	<p><i>That PPN Members can nominate paid staff to contest PPN elections. However the PPN will endeavour to foster and nurture the capacity of volunteer's long term.</i></p> <p>Context: Member groups of the PPN need to be volunteer-led to be eligible for membership. However, PPN members exist who have a voluntary board, but have paid staff. Up until now, groups have not been able to nominate paid staff for PPN vacancies.</p> <p>However this creates an issue, in particular for community development / social inclusion groups who are working on the frontline with societies most vulnerable.</p> <p>This recommendation is made in order to assist in building the capacity of the Social Inclusion Pillar.</p>
Motion 3	<p><i>That PPN member organisations cannot hold more than one representative position on decision making structures (i.e. the Strategic Policy Committees, Local Community Development Committee and Joint Policing Committee.</i></p> <p>Context: This recommendation is made in an effort to ensure that PPN Representative Positions are made available to the widest cohort of members and that members have genuine access to opportunity.</p> <p>It also encourages groups with strong interest across multiple committees to engage with Linkage Groups.</p>
