Community Candidates: 3

Candidate Information: Community Seat	
Name	Robbie Loughlin
Organisation	Lanesborough Residents Association
Statement	I live in an era that seen the Celtic Boom and Bust and Boom again.20 years ago my area was fields now the population hits 10k.We are the forgotten demographic,never consulted or asked about the concrete jungle going up around us,or projects like biosolid storage that nobody else wanted.Enough.We need future planning to include the people it most affects.I will change the system to do that.Several years as a community rep have given me the belief to do so.Planning has abandoned us and we need to have our right to be heard and included represented.No more talk,just action.If tables must be banged so our voices can be heard,i am the person,with peoples support,to do so.

Name	Greg Farrell
Organisation	St. Margaret's Concerned Residents Group

Statement

I am a Quantity Surveyor by profession and runs a successful Construction company. I have been a PPN rep for planning since it's inception and was also involved heavily at the beginning of the Fingal PPN as a rep in the secretariat. I believe that the planning SPC has performed very well during its initial tenure and myself an Kieran O Neill have helped to improve a number of planning issues which were put forward through the linkage process. I feel that with my experience within the planning and development industry, I can add quite a lot more to this role going forward. There is quite a lot of work to be continued in this sphere and I would be delighted to continue to represent the community in this role. This is a very important role within the PPN and I feel that I can give it the time and dedication it deserves.
