

COVID 19 LOCAL AUTHORITY COMMUNITY ENGAGEMENT - WASTE - ADVICE

	CIRCUMSTANCES	ADVICE
1	Where the household avails of a normal kerbside collection service, wheelie bins.	PRESENT YOUR BINS ON THE EVENING BEFORE THE SCHEDULED COLLECTION DAY. CLEAN THE BIN HANDLES WITH DISENFECTANT BEFORE AND AFTER PRESENTATION
2	Where the household does not avail of a normal kerbside collection service	CONTACT A LOCAL WASTE MANAGEMENT PROVIDER TO PROVIDE AN APPROPRIATE SERVICE (SEE MYWASTE.IE – WASTE MANAGEMENT PROVIDERS) TO IDENTIFY A LOCAL PROVIDER
3	Where the household is in an area that is designated for the presentation of waste in bags (Where waste is normally presented in bags)	PRESENT BAGS AS NORMAL
4	Where a household is part of a multi occupancy development, eg apartment, and is availing of a centralised service.	PRESENT WASTE AS NORMAL
5	Where any member of the household is self isolating or has tested positive for Corona Virus	PUT PERSONAL RUBBISH (WASTE) SUCH AS GLOVES, TISSUES, WIPES AND MASKS IN A BIN BAG AND TIE WHEN ALMOST FULL. PUT THIS BIN BAG IN A SECOND BIN BAG AND TIE A KNOT. STORE THE BAG SOMEWHERE SAFE FOR <u>3 DAYS</u> AND THEN PRESENT THE BAG FOR COLLECTION EITHER IN THE WHEELIE BIN OR DIRECTLY.

Check [mywaste.ie](https://www.mywaste.ie) for further information on the management of waste.
