1. PPN News

Welcome to October's Newsletter.

Welcome to the October's edition of the Fingal PPN newsletter. You will see that we have a bumper edition of news for members this month including details on the final round of linkage group meetings, our upcoming virtual plenary, Fingal Inclusion Week and much more. Please remember that in order to continue to access PPN events, training and funding supports that you must be a Fingal PPN member.

Get in touch with us should you have had any difficulty re-registering your group(s) in our recent re-registration process conducted in September and October. Looking forward to seeing you all at the upcoming plenary.

Fingal Inclusion Week takes place from Monday 16th November to Saturday 21st November 2020.. Over 30 events will take place across Fingal throughout the week aimed at highlighting the positive work that communities are involved in to reduce social exclusion, raise awareness of social exclusion and to celebrate diversity. While Covid 19 has presented its challenges for us all, community groups and organisations remain dedicated to inclusion in Fingal by diversifying how they deliver their events this year.

Further information is available at www.fingalinclusionweek.ie.

This is an initiative of the Community Development Office and Public Participation Network.
