1. PPN News

Welcome to our September edition of the Fingal PPN Newsletter.

Welcome to September's Newsletter. It is a busy time for Fingal PPN with many activities and events planned over the coming months.

The final round of Linkage Groups commence in October so make sure to get involved if you are interested in attending.

On October 13th, we are hosting an induction session for all new members of the PPN to meet the staff and get to know a little bit more about the network and meet other community and voluntary groups in Fingal. This session while aimed at new PPN members is open to all members as it has been some time since groups have had the chance to network.

We are busy working on our November Plenary so expect your invitation very soon. Finally, watch out for some new training opportunities open to all PPN members that will be circulated shortly. Looking forward to seeing you at one of our events.

Kind regards,

Natasha Bagnall
