### 2. Active Public Consultations and Notices

### 3. Funding Opportunities

### 4. Community News

## 1. PPN News

**Welcome to our November edition of the Fingal PPN Newsletter.**

It has been an incredibly busy time for Fingal PPN recently.

Fingal PPN held their Plenary on 10th November. We are delighted to welcome Daniel Hamilton of Blakestown and Mountview Youth Initiative to Fingal PPN Secretariat. We are looking forward to working with you. In addition, two proposed constitutional changes were passed by electronic vote.

You can find new constitution [here](#). Thank you to all our members who attended and participated on the evening. We really hope that the next Plenary session might take place physically.

Fingal Inclusion Week took place from 15th – 21st November with over 70 organisations participating to showcase inclusion in communities across Fingal. Well done to our Social Inclusion, Rural Development, Youth and Enterprise Linkage group who formed part of the steering committee for this event.

Finally, Fingal PPN launched their Policy Hub at the recent Plenary. This new Policy Hub sees the creation of an online library of policies that impact the residents of Fingal from a local level right up to the European level. This Policy Hub puts all these policy documents in one place for the first time in an easy to navigate platform.

The aim of the PPN is to support community groups to influence policy and build their skills and knowledge to advocate on issues experienced by their community. In order to advocate, access to the appropriate policy and strategy documents is key. Check out this new hub here: [Policy Hub - Fingal Public Participation Network \(fingalppn.ie\)](https://fingalppn.ie)

Keep safe and well,  
Natasha and Adam
