2

### Who is eligible?

<https://techdonations.enclude.ie>

The programme is open to organisations which are: (1) approved bodies authorised for tax relief on donations; (2) charitable organisations registered with the CRA; (3) sports bodies with tax exemption; or (4) companies limited by guarantee registered with the CRO and operating on a non-profit basis for the public benefit.

3

### Check out other offers

<https://techdonations.enclude.ie/product-catalog>

You can browse our catalogue to see the full range of products our donors offer through the donations programme.

4

### Register

<https://techdonations.enclude.ie/user/register>

You can register by filling in a simple form.

5

### Wait for validation

During registration you will receive a request for documents to validate your application. Once this process is completed you can then access the software.

6

### Ready to order!

Once your Enclude account is validated, you will be able to use our online shop. Within a few days of receipt of payment, you will receive a fulfilment email with instructions on how to access your software.

Please note: Enclude does not provide IT support or assist with installation of the software.

Should you have any queries, please do not hesitate to email the Enclude team:
