About Fingal Inclusion Week

Fingal Inclusion Week 2024 is an initiative led by Fingal County Council Community Development Office. This is the sixth year Fingal Inclusion Week has taken place in Fingal.

Over 70 events will take place across the county of Fingal from Monday 11th November to Sunday 17th November. All Fingal Inclusion Week events are free to attend and open to everyone.

Fingal Inclusion Week aims to:

Highlight the positive work that communities, agencies and other organisations are involved in to reduce social exclusion and poverty in Fingal.

Raise awareness of the barriers experienced by citizens of Fingal that lead to social exclusion.

Promote an understanding of inclusion in Fingal and celebrate diversity across the county.

How do I get involved in Fingal Inclusion Week?

It is easy! Browse through this booklet, choose the events that you are interested in and just show up! You will be welcomed with open arms. Please be aware though, some events require you to book a place in advance due limited space being available.

Where can I get more information?

A special web address has been setup: www.fingal.ie/InclusionWeek where you will find the most up to date information on Fingal Inclusion Week events.

Fingal County Council Community Development Office

The development of strong, self-reliant and sustainable communities is central to the work of the Community Development Office.

Our role is to support local people, community and voluntary groups to deliver projects and initiatives in their communities. We work in partnership with other local statutory and community organisation to deliver county wide services.

How we support the Community:

**Project
Development**

**Group
Development**

**Community
Research**

**Community
Facilities**

**Events and
Conferences**

**Training and
Workshops**
