Drop-in Day - 8th July, 4-8pm

This Summer, Public Engagement is taking place for the Swords Main Street Transformation Project which is at design stage. This project will build on work currently underway for the Swords Cultural Quarter.

We want to hear about how you use the Main Street now, and your hopes and concerns for the future.

Your feedback will help to inform the developing designs for Main Street.

Join us for our Drop-In Information Day, 8th July at Carnegie Library. Call in any time between 4-8pm (no registration required).

Fill in the online feedback form before Friday, 31st July.

Learn more about the
project and ways to
engage at
